NOTICE

ANNUAL RE-REGISTRATION/RENEWAL REQUIREMENT – CERTIFICATE OF REGISTRATION

The Bargaining Council for the Contract Cleaning Service Industry – KwaZulu-Natal hereby reminds all employers operating within the industry of the annual re-registration/renewal requirement in terms of the Main Collective Agreement.

In accordance with **Clause 24.2 of the Main Agreement**, as published under Government Gazette No. 54412, Volume 729, dated 27 March 2026, all employers are required to **renew their registration with the Council on an annual basis**.

Employers are advised that a **Certificate of Registration is valid for a period of twelve (12) months only** from the date of issue. It is therefore important that employers monitor the validity of their certificates and ensure that renewal applications are submitted timeously to avoid any lapse in registration.

Maintaining a valid Certificate of Registration is essential for compliance with the provisions of the Main Agreement. Where a certificate has expired and no renewal has been affected, the Council may initiate compliance processes, which could include the issuing of a Compliance Order.

The Council encourages all employers to remain proactive in ensuring their registration status is up to date. Assistance and guidance with the re-registration/renewal process are available upon request.

For further information or assistance, please contact the Council offices.
